

FRIEDLAND BROTHERS

SPRING ROLLER SHADES

Ralph Friedland & Brothers is a leading manufacturer of spring roller shades servicing all types of industries. We are proud to say our quality shades are USA made in our modern New Jersey facility. We produce spring roller shades in stock sizes as well as custom sizes. They come in a wide variety of room darkening and light filtering materials such as blackout fiberglass, room darkening vinyls, and light filtering vinyls. We fabricate shades on several types of rollers to meet any job requirement. We offer eyelets and pulls, cord, brackets, and any accessories you may need.

Spring roller shades operate without any cords and are a great child safe option for both commercial and residential uses. Our shades are certified for the WMCA's **Best for Kids** program.

All of our shades are custom made - proudly in the USA

Convolute (cardboard) Rollers

- Most popular and economical
- Available in all widths up to 73 1/4"
- Widths can be easily cut down using the Star shade cutter

Wood Rollers

- Heavy duty, more durable
- Available in all widths up to 79 1/4"
- Used for heavier materials or longer length shades
- May be cut to width using Star shade cutter

Steel Adjustable Rollers

- Additional durability of steel
- Flexibility to make minor width adjustments on site
- Material can be trimmed using Star shade cutter

Steel (fixed) Rollers

- Most durable, available in 1-1/4" & 1-1/2" diameters
- Can span widths up to 121"
- Heavy duty removable springs
