

OMNIASCREEN

STANDARD IN HEALTH & COMFORT

OmniaScreen by Verosol

OmniaScreen is the high-quality solar screen that will transform your building into a healthy comfort zone. OmniaScreen effectively provides natural shade, helping you create the perfect indoor climate and save on energy. The metalized Omnia looks surprisingly transparent and scores well on affordability.

OmniaScreen offers fantastic view through. A PVC screen with a 2x2 basket weave, Omnia has a 3% openness. This beautiful transparent screen will show the inside of your building as open and spacious, enhancing the living and working atmosphere.
